24th Infantry,
Fort Benning, Ga.

Dear Sir:

Your letter of July 22nd received, in which you asked to be booked to play the Eagles on Sept. 11th, 12th and 13th.

We play all our home games at Ruppert Stadium, Newark, N. J., which is the home grounds of the International League Baseball Club. We can only book games up to and including Labor Day, Sept. 5th, as the International League starts their play-off after that day and they do not know until the last minute what teams will be in the play-off.

I would suggest the way in which you may get some games in this section write to Mr. W. A. Leuschner, Nat. C. Strong Booking Agents, World Building, New York City, they book most baseball teams around this way, and charge 10% for their service.

It was suggested to me by the Manger of the Eagles, "Dick" Lundy, that it might be possible to train at Fort Benning next Spring, I would appreciate hearing from you on this.

Very truly yours,
